

# CHOOSE YOUR INSURANCE ON PURPOSE NOT BY ACCIDENT

**GOLD STANDARD** in PROTECTION AND SAFETY FOR THE TOWING INDUSTRY

## PARTNERSHIP

**WRECKMASTER**

TowMAX partners with WRECKMASTER, and their leading safety training programs and instructors to lower your insurance costs over time through safety education, training, and loss control methods. TowMAX has specifically trained risk control representatives for the towing industry.

TowMAX combines access to one of the top-rated insurance carriers in the country with specific coverages designed just for the Towing Industry.

TowMAX partners with WRECKMASTER Inc. to provide level one training designed to protect all employees in the industry. This combination of specifically designed coverages and safety training is proven to reduce overall insurance costs over time.

TowMAX has specially trained risk control representatives that work directly with you and your clients to protect their employees and their business.

## COVERAGES

**General Liability | Commercial Auto | Umbrella**

Our goal is to offer those companies that qualify an opportunity to take their companies to the next level by working with them to improve their safety, manage their coverage and insurance costs, gain increased recognition by the National Motor Clubs, enhance their recruitment of qualified applicants, and most importantly to protect their employees while growing their business.
