## DO YOU QUALIFY FOR TOWMAX?

### TowMAX Partners With:

- Owners and operators who know training, safety and compliance affect operating and insurance costs, and want a team to focus on these factors together, not separately.
- Towers and Operators who are tired of dealing with a new insurance carrier every few years, and want to build long term partnerships.
- Operators who are looking for a new way to attract the best talent.
- Operators who want to make sure their employees and customers are safe, and want training to make that happen.
- WreckMaster Level 1-2 safety training required within 6 months.

## GOLD STANDARD:

TowMAX is committed to the towing industry because it was built by a team who has dedicated their careers to towers.

TowMAX combines access to one of the country's top rated insurance carriers with coverages designed from the ground up to fit the needs to towers and operators.

The TowMAX Risk Control team has real life towing experience and can provide immediate advice on decreasing risk.

## TOWMAX SERVICE:

TowMAX produces best-in-class towers and towing operators a one-stop solution for insurance, training, safety and compliance.

We know excellence in safety and operations doesn't happen by accident.

## COVERAGES:

- General Liability – ISO Occurrence Form
- Commercial Auto – Liability, Physical Damage
- Inland Marine – On Hook
- Property – Real Personal, Contents
- Crime
- Garagekeepers – Auto/Boat/Vehicles
- Moving Cargo
- Umbrella
- Workers' Compensation

Our goal is to offer those companies that qualify an opportunity to take their companies to the next level by working with them to improve their safety, manage their coverage and insurance costs, enhance their recruitment of qualified applicants, and most importantly to protect their employees while growing their business.

Several payment options available including online payment capabilities.
